

The government is aiming to become a high-income nation by 2020 and defines the high-income threshold at per capita income of about **RM48,000 or USD15,000 in 2020**, based on World Bank's current definition of high-income. In order to achieve the high-income status by 2020 will require an annual real growth rate of **6% in the next 10 years**.
